

FULLY VACCINATED TRAVELLERS WITH NEGATIVE PCR TESTS WILL NOT HAVE TO QUARANTINE

Dear Valued Partners,

Starting November 18, 2021, fully vaccinated travellers staying outside the resilient corridors who have a negative PCR test taken within 72 hours of departure will not be required to quarantine on arrival.

Unvaccinated travellers staying outside the resilient corridors are required to quarantine for 14 days.

Reminders:

- Persons 12 years and older will need to provide a negative COVID-19 test (PCR or Antigen), which was conducted **within 72 hours prior to date of travel** at check-in for their flights.
- All persons intending to travel to Jamaica must apply for and obtain approval for a Travel Authorization before arrival in Jamaica. Apply online at www.visitjamaica.com
- While Jamaica maintains nightly limitations on movement, airport transfers within the restricted hours will not be affected. If stopped, visitors may be asked to show their flight details.
- An “unfit to fly” notice will be issued to the airlines for persons who test positive while in Jamaica. Persons will be allowed to leave Jamaica using medical evacuation or private flights.
- All passengers traveling to the United States are to provide a negative COVID-19 test or proof of recovery from COVID-19, before boarding.
- The U.S. Department of State has updated the Requirements for Air Travel to the US that become effective on November 8, 2021. Learn more at www.travel.state.gov.
