JAMAICAN VISA

Citizens of Serbia require a visa to enter Jamaica.

Since 12.08.2014. citizens of Serbia who are in possession of valid US, Canadian, UK or Schengen visa can enter and stay up to 30 days without Jamaican visa but with proof of vaccination against Measles, Rubella and Polio. All the travelers to Jamaica have to abide by the rules and immigration legislation in force. Visitors have to possess a national passport with a photo which establishes nationality and identity.

Visa types:

- One-entry visa: is issued for a single travel within three (3) months from the date of issuing, provided that the passport remains valid throughout the period; the decision on the duration of the stay is under the jurisdiction of Immigration Services at the entry point.
- Multiple-entries visa: is issued for several travels, but only as per the permit given by the Ministry of national security.

Person who would like to visit Jamaica has to submit to the Consulate the following:

- **Passport valid for at least another six months**
- **Visa request form, filled-in in two copies**
- **Two (2) photos, passport size, of a later date**
- **A copy of the booked return travelling ticket**
- **Appropriate information regarding the accommodation at Jamaica (Confirmation of the booked accommodation)**
- **Visa fee payment confirmation – 45 EUR**
- **Sufficient funds for the visit**

CLIENT SERVICES: Workdays from 10 to 14 h.

Processing time for issuing visas: 5 business days.

The Consulate of Jamaica does not guarantee to issue a visa to every citizen. Should your request for a visa be denied, you can apply for a visa again after one year.
