

JAMAICA RELAXES ENTRY PROTOCOLS

Dear Valued Partners,

Beginning **March 1, 2022**, Jamaica will see a significant relaxation of several of its entry protocols. Travellers will no longer be required to obtain a travel authorization through the Jamcovid or Visitjamaica websites. Quarantine requirements will also be eliminated. However, it is recommended that persons limit their movements for at **least 5 days after travel**.

Mandatory PCR tests for business travellers has also been removed.

Reminders:

- Persons 12 years and older will need to provide a negative COVID-19 test (PCR or Antigen), which was conducted **within 72 hours prior to date of travel** at check-in for their flights.
- All persons intending to travel to Jamaica **prior to March 1, 2022**, must apply for and obtain approval for a Travel Authorization before arrival in Jamaica. Apply online at www.visitjamaica.com
- While Jamaica maintains nightly limitations on movement, airport transfers within the restricted hours will not be affected. If stopped, visitors may be asked to show their flight details.
- For more information on entry protocols for Jamaica, please see our list of Frequently Asked Questions [here](#)
